

# King Adora, Kamikaze

Alone is the place I've made my home  
And it's all I've known  
Learn to like myself  
Before I start  
Please, I've been too long on my knees  
And it cuts, cuts deep  
I deny myself  
To hang my heart  
Tell me am I fallin' apart  
I'll never be together  
Coz its to hard  
Tell me you're the light in the dark  
You stop my heart  
Just like a kamikaze does  
When it's all too much  
I've denied myself  
To hang my heart  
Tell me am I fallin' apart  
I'll never be together  
Coz its to hard  
Tell me you're the light in the dark  
You stop my heart  
You stop my heart  
You stop my heart  
Tell me am I fallin' apart  
I'll never be together  
Coz its to hard  
Tell me you're the light in the dark  
You stop my heart  
You stop my heart  
You stop my heart
