

King Adora, Love So Volatile

Can I wear you like an animal?
Can I scare you into anything?
Love so volatile, love so volatile
Love so volatile

Can I buy you, are you available?
Can I tie you onto anything?
Love so volatile, love so volatile
Love so volatile
Yeah

Love is blue, love is black, love is leather honey
Loving you is always physical
Loving you, love is gone, love with all your money
Love is blue, love is black
Love is blue, love is black, love is volatile

You can burn me with your cigarettes
You can turn me onto anything
Love so volatile, love so volatile
Love so volatile
Yeah

Love is blue, love is black, love is leather honey
Loving you is always physical
Loving you, love is gone, love with all your money
Love is blue, love is black
Love is blue, love is black, love is volatile

Love so volatile, love so volatile
Love so volatile

Love is blue, love is black, love is leather honey
Loving you is always physical
Loving you, love is gone, love with all your money
Love is blue, love is black
Love is blue, love is black, love is volatile
Does it scare you?
Does it scare you?
Does it scare you?
Does it scare you?
Does it scare you?
Does it scare you?
Does it scare you?
Does it scare you?
Does it scare you?

Does it scare you?

Does it scare you?
