

# King Bb, Better Not Look Down

I've been around and I've seen some things  
People moving faster than the speed of sound  
Faster than the speeding bullet  
People living like Superman  
All day and all night  
And I won't say if it's wrong or if it's right  
I'm pretty fast myself  
But I do have some advice to pass along  
Along in the chorus of this song  
Better not look down,  
if you want to keep on flying  
Put the hammer down,  
keep it full speed ahead  
Better not look back,  
or you might just wind up crying  
You can keep it moving,  
if you don't look down  
An old girl friend of mine showed up the other day  
That girl have lived in love and for love,  
and over love, and under love all her life  
If the arrows from cupid's bow that had  
passed through her heart had been sticking  
Out of her body she would have looked like a porcupine,  
And she asked me "B.B. do you think I've lived my life all wrong?"  
And I said: "The only advice I have to pass  
along in the chorus of this song", girl  
Better not look down,  
if you want to keep on flying  
Put the hammer down,  
keep it full speed ahead  
Better not look back,  
or you might just wind up crying  
You can keep it moving,  
if you don't look down  
I was walking down the street at sunrise one morning, in London, England  
And there was a very large Rolls Royce limousine,  
pulling slowly along the street  
And in that Rolls Royce was the queen of England, looking tired  
Just go back from a party, and the queen leaned out and,  
she said: "Aren't you B.B. King?"  
She said: "Oh B.B., sometimes it's so hard to pull things together.  
Could you tell me what you think I ought to do?"  
And I said:  
Better not look down,  
if you want to keep on flying  
Put the hammer down,  
keep it full speed ahead  
Better not look back,  
or you might just wind up crying  
You can keep it moving,  
if you don't look down  
Better not look down,  
if you want to keep on flying  
Put the hammer down,  
keep it full speed ahead  
Better not look back,  
or you might just wind up crying  
You can keep it moving,  
if you don't look down
