

# King Crimson, I Talk To The Wind

Said the straight man to the late man  
Where have you been?  
I've been here and I've been there  
And I've been in between

I talk to the wind  
My words are all carried away  
I talk to the wind  
The wind does not hear  
The wind cannot hear

I'm on the outside looking inside  
What do I see  
Much confusion, disillusion  
All around me

I talk to the wind  
My words are all carried away  
I talk to the wind  
The wind does not hear  
The wind cannot hear

You don't possess me, don't impress me  
Just upset my mind  
Can't instruct me or conduct me  
Just use up my time

I talk to the wind  
My words are all carried away  
I talk to the wind  
The wind does not hear  
The wind cannot hear

I talk to the wind  
My words are all carried away  
I talk to the wind  
The wind does not hear  
The wind cannot hear

Said the straight man to the late man  
Where have you been?  
I've been here and I've been there  
And I've been in between
