## King Diamond, Life After Death

[Diamond/Diamond]

Friday night

Four shadows heading for the dark Four shadows heading for the past Four shadows heading for the graves in the wooded maze Four shadows looking for the place without a trace

Midnight and they're here, midnight

The old burial ground..is part of the estate Hidden by the heavy trees..where Jean le Noir he sleeps

The shadows move There're here to feed the dead..the shadows move

Cause there is life after death Be patient and you will see Cause there is life after death Be patient and you will see Oh it must never end..never end..no

[solo Herb]

Midnight and there're here, midnight

Doctor le Croix, he's a voodoo sorcerer Madame Sarita, she's got the snake in her And Lula Chevalier, she's girl that no one ever sees Salem the servant, he belongs to the estate

The sadows move Ther're here to feed the dead...the shadows move

[solo Andy]

The Lafayettes are unaware..their butler Salem, he is here Voodoo has been his life..Voodoo cuts deep like a knife

The sadows move Ther're here to feed the dead...the shadows move

Cause there is life after death Be patient and you will see Cause there is life after death Be patient and you will see Oh it must never end..never end

Midnight and there're here, midnight

Midnight.....Life after death.....
