King Diamond, Moving On

[Diamond / Diamond]

[Acoustic Intro : Mike]

Oh You gotta move on now I can see I can feel The tears in your eyes The tears that you cry you gotta move on now Let me wipe those tears from your eyes

If I could only take his place On the other side I can see I can feel The tears in his eyes The tears that he cries We need each other In the darkest of night Hes all I have Solo : Andy

Time is running out To find another soul Time is running out To find another soul

You gotta move on now, You gotta move on now And find another house before the dawn is coming in Moving on Moving on Oh yeah Before the dawn is coming in, find a soul thats free of sin Im trying Crying Im trying I dont know if I can You gotta move on now, You gotta move on now And find another house before the dawn is coming in Find a soul thats free on sin

Time is running out Im moving on Time is running out Im moving on

On the other side I can see I can feel The tears in his eyes The tears that he cries We need each other In the darkest of night Im moving on to THIS house
