

King Diamond, Nuns Have No Fun

Upon a cross a nun will be hanged, she will be raped by an evil man
Knock spikes through her hands, things won't come she won't understand
You're a nun you haven't had no fun, living your life as virgin queen
I'm gonna change it and I'll get it done, tomorrow you won't be a virgin
Queen

C. u. n. t. that's what you are, you're c. u. n. t. yeah
I get it up, I get it up in the dark, I make her feel I'm not a holy man
Faster breathing, she's like a shark, she want's more
I'm gonna give her my cross

Nuns have no fun, they just have their fathers and sons
But I'll give them hell, I never fail
Nuns have no fun, they just have their fathers and sons
But I'll give them hell, I never fail
I get it up, I get it up in the dark, I make her feel I'm not a holy man
Faster breathing, she's like a shark, she want's more
I'm gonna give her my cross
C. u. n. t. that's what you are, you're c. u. n. t. yeah.
