

King Diana, Supa-Lova-Bwoy

Some girls they just living a lie
With a man who don't even try
Making a plan to escape, just can't wait
Fantasizing day and night
Wondering what it would be like
If the right one came along, to turn them on.
Supa-lova-bwoy, that's what ya need
Kinda lover who wants ta please.
Supa-lova-bwoy, understands
He can lead ya to the promised land.
Supa-lova-bwoy, it's no lie
He really know how to make you fly.
Fly on, Fly on.
Some guys jus cram yer stile
Bore you stiff and all da while
Cheat on you when yer back is turned, never learn,
Never say what they really mean.
Never mean what they try to say.
Always taking you for a fool, so uncool.
Girls over there, girls over here
Want a guy who can take dem there.
Want a man to put a smile on their face.
If they don't get it, the haffa replace.
Supa-lova-bwoy, that's what ya need.
Kinda lover who wants ta please.
Supa-lova-bwoy, understands.
He can lead ya to the promise land.
Supa-lova-bwoy, it's no lie.
He really knows how to make you fly.
Fly on, fly on.
Fly on, (fly on) fly on.
It's a bird, it's a plane,
It's a dream, it's a game.
Be strong, have faith,
It's all worth the wait,
It's a light in the sky.
That won't pass you by.
It's a prayer, that you say
Waiting for the one
To take your breath away.
Supa-lova-bwoy, that's what ya need.
Kinda lover who wants ta please.
Supa-lova-bwoy, understands.
He can lead ya to the promised land.
Supa-lova-bwoy, it's no lie.
He really knows how to make you fly.
Fly on.....
