

King Family, Carry Me Home

(Verse 1)

TASHA

Daddy it's so cold outside and I'm standing in the snow

Daddy it's so cold out here I don't know where to go

I'm standing at a crossroad now

I wanna find my way

Carry me home

JAZZY

Daddy take me back to the place where the streets are made of Gold

Take me back to that better place where they're never growing old

I'm standing at a crossroad now

I wanna find my way
