When the river is floating and
And the mouth has come to its end

Grab it and never let go
Until, until it feels right to do so It feels right to do so

When the river is floating and
And the mouth has come to its end
Do you carry on swimming or
Do you jump out and grab your towel?

I'm a big swimmer
I'll swim at anything
Cos I'm a big swimmer
I'll dive in my head first thing

'Cos if I want it, I'll go
And if I want it, I'll go
Grab it and never let go
Until, until it feels right to do so It feels right to do so
It feels right to do so It feels right to do so

'Cos I'm a big swimmer I'll swim at anything 'Cos I'm a big swimmer I'll swim at anything 'Cos I'm a

You know,
I'm one big swimmer
I'll swim at anything
I'm one big swimmer
I'll dive in my head first thing
