

King, Maan Meri Jaan

Please say yes, my love.

Main teri aankho mein udaasi kabhi dekh sakda nai,
I can never see sadness in your eyes

tujhe khush main rakhunga soneya.
Ill always keep you happy my love

Main tere hotho pe khamoshi kabhi dekh sakda nai,
I can never see silence on your lips

sari baatein main sununga soneya.
I will listen to everything you have to say

tere dil se na, kabhi khelunga
I will never play with your heart

sare raaz apne, tujhko de dunga
Ill share all my secrets with you

Meri jaan tune mujhko pagal hai kiya
My love, you have driven me crazy

mera lagda na jiya
My heart just can't focus

tere bager..
Without you

Tu maan meri jaan
Please say yes, my love.

main tujhe jaane na dunga
I won't let you go

main tujhko apni baahon mein chhupa ke rakhunga.
Ill keep you safe in my arms

Tu maan meri jaan
Please say yes, my love.

main tujhe jaane na dunga
I won't let you go

main tujhko apni aankho mein basake rakhunga.
I'll keep you safe in my in my eyes.

Tu maan meri jaan
Please say yes, my love.

(Verse2)

Main saya banke saath tere rehna 24 ghantey
Ill be your shadow 24x7

Main rehna 24 ghantey
Ill be with you 24*7

(Tere bina dil lagda nai)
(My heart can't focus without you)

Main aankhon se churalu jana tere jo bhi ghum the
Ill steal all the grief/tears away from your eyes

Haye Tere no bhi ghum the...
Whatever your grief is

meri baahon me aake tu jaye nahi
Hope you enter my embrace and never leave

esi rabb se main maangu due...
This is my prayer to god

tere dil se na,kabhi khelunga
I will never play with your heart

sare raaz apne,tujhko de dunga
Ill share all my secrets with you

Meri jaan tune mujhko pagal hai kiya
My love, you have driven me crazy

mera lagda na jiya
My heart just can't focus

tere bager..
Without you

Tu maan meri jaan
Please say yes, my love.

main tujhe jaane na dunga
I won't let you go

main tujhko apni baahon mein chhupa ke rakhunga.
I'll keep you safe in my in my arms

Tu maan meri jaan
Please say yes, my love.

main tujhe jaane na dunga
I won't let you go
