

# King Prawn, First Defence

This is a tale of po-lice brutality (4)

They're picking on the Asian  
They're picking on the Blackman  
They're picking on the Irish  
They're picking on the White trash  
They're picking on the Gay man  
They're picking on the Lesbian  
They're picking on the Union  
They're picking on the Hunter Sab  
They're picking on the Raver  
And the Demonstrator  
They're picking on the Squatter  
They're picking on the Traveller  
They're picking on the Jobless  
They're picking on the Homeless  
They're picking on the Alien  
They're picking on the Innocent!

Police are the first defence of the state (8)

This is a tale of po-lice brutality (4)

Walking home at night  
With my friends you see  
Not meaning any harm  
Just them and me  
Then comes Babylon  
They wanna harass  
I tell my friends "Man, please relax"  
We pay your wages  
Now you want to attack  
You wonder why we say  
"Get the fuck back";
