King's X, Alone

No one should be made to feel rejected And to feel the pain No one should be made to feel unwanted And to feel the hate

Sticks and stoned breaking bones Names and words they hurt you Effecting everything No one should be made to feel alone

No one should be made to feel their heart break And to feel unloved No one should be made to feel they're ugly And to feel ashamed

Sticks and stones breaking bones Names and words they hurt you Effecting everything No one should be made to feel alone No one
