

King's X, Honesty

I don't know where to begin
Cause I can't tell the shape I'm in
It feels my face is to the wind
But I can't tell the shape I'm in
Honesty can kill
Honesty can heal
Honesty

I take my stay and then I go
But I can't tell so I don't know

If you are high I must be low
But I can't tell so I don't know
Honesty from me
Honesty be free
Honesty

Honesty
Honesty
Honesty
