

# King's X, I Change My Mind

I tried to change it  
Tried to fix it  
Tried to mix it  
Rearrange it  
I tried to hide it  
Tried to hate it  
Tried to fake it  
Tried to break it

I change my mind

I tried to kick it  
Tried to trick it  
Tried to lick it  
And live with it  
I will admit it  
I cannot fix it  
Cause I am with it  
All of the time

I change my mind

Ignore it  
Embrace it  
Forget it  
I gotta go

I change my mind  
I change my mind  
I change my mind
