

# King's X, The Big Picture

She's got everything I need and more to live  
my life Never ever thought to think of  
never survive The circle has been broken it's  
always been this way The Big Picture I  
wanna see I know you're listening so let it  
be Golden Rules and Sunday Schools It was  
my way A rock-n-roll, a spiritual Give me  
any day, yeah The final chapter the  
morning after blowing in the wind Taking  
away the other day where time stands us  
still
