

King Tee, King Tee's Beer Stand

* this song was originally a St. Ide's Malt Liquor commercial
it's appearance on promotional St. Ide's mixtapes caused
public outcry, and both the tape and the commercial were pulled

[King Tee]

Now step up, to the King Tee's beer stand
And let me know what beer is grand
No no wait, I got somebody that might convince ya
Hold up hold up wait

[Ice Cube]

Once again it's on, I'm goin out the front do'
Ice Cube in the glass house, headed for the sto'
To get a beer that's better than the rest
The S-T-Period-I-D-E-to-the-S
And it'll put hair on your chest
In the black can, so won'tcha grab a six pack and
Get your girl in the mood quicker
Get your jimmy thicker, with St. Ide's Malt Liquor

[King Tee]

Hold up hold up
So when you get a forty, roll to the spot
Hug and kiss your girl and screw the cap off the top
And get a taste of the beer that makes you tingle
And just remember that jingle

[singers]

Here's something that sweepin the nation by surprise
It's that fabulous malt liquor they call St. Ide's
