

King, We Are The Ones (feat. Gucci Mane)

I am the one
jata du dharti bando ke ghamand
I am the one
bekaboo main zamana mujhse tang
I am the one
duniya rule karke raja kare bam
Oh hat ja peeche
Grammy leke aa raha hu main

I am the one
stocking 'em Gandhis
Locking them up
New Delhi Rocky
I'm coming up
they call it cocky
A billion plus
nothing can stop me

We are the ones,
who come up beating the drums
We are the ones,
in slums we blazing our blood
We are the ones,
who do what they've never done
We are the ones, the ones and we runnin' it up
Samajh kyun na aaye raja
Fir bhi mann bhaye raja
Aakhir tujhe kya chahiye
It's Gucci
I'm the one with money that stretch like the Nile river
And She ain't gotta ask do it right and then I'll tip her
I'm balling all in India lost slippers they by Fendi
Gucci Mane ain't stingy I'm giftin Bentleys and Benz
I feel like da lox in the 90s all bout the Bengies
Diamonds on my lenses there's nothing that's too expensive
CEO of the label I handle all of the business
I make moves to never go broke.
Ah be my witness
You the one who ain't got no money be steady bitchin
And I'm the one keep pilin' up millions that making interest
We are the ones
who come up beating the drums
We are the ones
in slums we blazing our blood
We are the ones, who do what they want, who do what they want, would want
And we runnin' it up

I am the one
jata du dharti bando ke ghamand
I am the one
bekaboo main zamana mujhse tang
I am the one
duniya rule karke raja kare bam
Oh hat ja peeche
Grammy leke aa raha hu main
I am the one
