

# Kingdom Come, Perfect O

Passion rises between us, babe  
Wanna take you in my arms  
Slide your body down on mine  
Come and move me like ocean waves

Ooh, let it go  
I hear you moan  
Oh, perfect 'o'

Touch the secret inside you, babe  
While our bodies shakin' so  
Oh, the way you tease and please  
It's only you I want to rock and roll

Ooh, let it go  
I hear you moan  
Oh, perfect 'o'  
Oh yeah  
Perfect'o'
