

# Kingdom Come, Who Do You Love

Who do you love ?  
Tell me now  
Spit it out  
No more smalltalk  
Shut the door

[Chorus:]  
Say the words  
Clear the air  
Look inside  
It's right there  
With your eyes  
You can't see  
'Til your heart  
Is set free

Who do you love ?  
I believe you don't know  
Time's up  
Can't wait anymore

[Chorus]

Who do you love ?  
Get it right  
Move along  
It's your show  
Choose now and let me know

[Chorus]

Make the choice  
Wastin' time  
'Cause I won't stand in line
