

Kingmaker, Loveless/Defamed

Christine

Where the hell have you been?

What the hell have you seen with your eyes of green

Christine

Why are you so keen?

So young? So Lean? Wrapped in Velveteen?

Eyes wide, by best friend died

It's time for me to fly

Goodbye

If I was someone else it wouldn't be you

If I were somewhere else it would be away from you

If no one ever notices you why do you get the looks

you do?

The whole world revolves around you.

Get your eyes wide, baby, it's true

My best friend died for you

With your burning coal

There's nothing left in here, nothing but a hole

Eyes wide, my best friend died and I didn't shed a tear

Burning coal, I sold my soul and there's nothing left in here

Last toke, hope's a joke I've seen it thrive on pain

Show your eyes on seven sides with its head in the guillotine

Touched by the man

Defamed.... Defamed
