

Kingmaker, Playground Brutality

The falling of your tears
Was the best environmental news
We've had in years
'round here

Everything looks vulgar... sometimes
I'll write THAT out
A hundred times
Coughing up the chalk dust
I wonder why

Unhappy hour
Begins at twelve
And my punishment doesn't just stop
With the final bell

Is anybody there?
Is anybody out there?
Is anybody there?
Is anybody out there?
Is anybody there?
Does anybody care?
Is anybody there?
Nobody in the whole world seems to care
