

# Kings Of Convenience, Failure

Using the Guardian as a shield  
To cover my thighs against the rain  
I do not mind about my hair

Your jacket may be waterproof  
But I know the moment you get home  
You're gonna get your trousers changed

Failure is always the best way to learn  
Retracing your steps until you know  
Have no fear your wounds will heal

I wish I could travel overground  
To where all you hear is water sounds  
Lush as the wind upon a tree

I wish I could travel overground  
To where all you hear is water sounds  
To capture and keep inside of me

Failure is always the best way to learn  
Retracing your steps until you know  
Have no fear your wounds will heal

Failure is always the best way to learn  
Retracing your steps until you know  
Have no fear your wounds will heal
