

# Kings Of Convenience, Gold in the air

Without giving anything away  
I can say it's by the sea  
It's a house that used to be  
The home of a friend of mine  
Without giving anything away  
You'll find ships inside of bottles  
When the garden's overgrown  
The house is white, but the paint is coming off  
I didn't know if you wanted to  
But I came to pick you up  
You didn't even hesitate  
And now you and me are on our way  
I think I've bought everything we need  
Don't look back, don't think of the  
All the places we should've been  
It's a good thing that you came along with me  
Gold in the air of summer  
You'll shine like gold in the air of summer  
You'll shine like gold in the air of summer  
You'll shine like gold in the air of summer
