

Kings Of Convenience, Into The Ring Of Fire

I will go
Into the ring of fire (2x)

I will walk
Over the bridgeless chasm
Close my eyes
Will faith hold me?

I will drown
Until I find the bottom of the sea

I will leave
Everything safe behind
Traveling
Into the void

If I don't need
Anyone else to guide me
I am no I
Longer a boy

I will go
Into the ring of fire (2x)

I won't ever buy your words (2x)
