

# Kings Of Convenience, Passenger

I didn't know you were there  
Until you said "hello"  
You had been watching me  
For I don't know how long  
I hit my head against the lamp  
As by surprise I stood up  
"Don't be afraid" you said  
"It's only me, the door wasn't locked"

The voice I'd heard in the hall  
Was hard to recognise  
But now we know he's onboard  
Wearing our disguise  
If only you and I could trust  
Each other through this  
Then together we could  
Work out who the enemy is
