

# Kings Of Convenience, Weight Of My Words

There are very many things  
I would like to say to you  
But I've lost my way  
And I've lost my words

There are very many places  
I would like to go  
But I can't find the key  
To open my door

The weight of my words  
You can't feel it anymore  
The weight of my words  
You can't feel it anymore

There are very many ways  
I would like to break the spell  
You've cast upon me

Because all the time  
I sacrificed myself  
To make you want me  
Has made you haunt me

The weight of my words  
You can't feel it anymore

The weight of my words  
You can't feel it anymore

The weight of my words  
You can't feel it anymore

There are very many things  
I would like to say to you  
But I've lost my way  
And I've lost my words

There are very many places  
I would like to go  
But I can't find the key  
To open my door
