## Kings Of Leon, Beautiful War

Bite your tongue Don'⊡t let us end here Everybody⊡s been here At least once before We⊡ve been here more

Your heart breaks Rolls down the window I□ve seen it all go and come back around And I□ve heard the sound

Tip of your tongue
The top of your lungs
Is doing my head in
I say I love you - I don'
Left them something worth fighting for
It□s a beautiful war

When I hold the warmth of your body There is nobody that I□d rather hold Shattered and cold

Tip of your tongue
The top of your lungs is making me crazy
I say I love you - I don'
Left them something worth fighting for
It'
I say I love you - I don'
I need nothing
Left them something worth fighting for
It
I a beautiful war
I say I love you - I don'
I need nothing
I say I love you - I don'
I need nothing
I say I love you - I don'
I need nothing

I say I love you I say I love you - I don' to need nothing Left them something worth fighting for /2x
