

Kings Of Leon, California Waiting

Little Mona Lisa laying by my side
"Crimson and Clover" pullin' overtime
I feel too close to be losin' touch
By givin' in, what am I givin' up?
Am I losin' way too much?

Hey
California waiting
Every little thing has gotta be just right
But say, while you tryin' to save me,
A can a get back my lonely life?

I'm goin' so fast an' I can't slow down
It's hard to get off when you're spinnin' 'round and 'round
I gave ya the news but nothin's changed
I'd sing you a song but they blew it away
All wrapped up in this stupid ass game

Hey
California waiting
Every little thing has gotta be just right
But say, while you tryin' to save me,
A can a get back my lonely life?

Hey
California waiting
Every little thing's gotta be just right
But say, while you tryin' to save me,
A can a get back my lonely life?

Hey
California waiting
Every little thing's gotta be just right
But say, while you tryin' to save me,
A can a get back my lonely life?

Can't I get back to my lonely life
Can't I get back to my lonely life
