

# Kings Philosopher, Cry

You don't know how to ease my pain  
You don't know  
You don't know how to ease my pain

You don't you hear any voices crying  
That's the sound of my love dying  
Or is it the rain

You don't know how to play the game  
And you cheat and you lie  
You make me wanna cry  
You make me wanna cry

You don't know what the sound is darlin  
That's the sound of my tears fallin  
Or is it the rain

You don't know how to play this game  
And you cheat and you lie  
You make me wanna cry  
You make me wanna cry

You don't even know how to say goodbye

You don't even know how to say goodbye  
You don't even know how to say goodbye  
You don't know how to ease my pain  
And you cheat girl you lie  
Well you make me girl  
You make me wanna cry  
You don't even know how to say goodbye  
You don't even know how to say goodbye  
Make me wanna  
You make me wanna  
You make me wanna cry
