

Kinky, Airport Feelings

Form a line at the counter
Boarding pass always with you
Now this is your gate number
Welcome aboard

Fasten seatbelt while seated
Turn off everything with you
Electronic devices
Welcome aboard

I've got these airport feelings
All over you
I'm ready for landing
I'm ready to lose

This is your captain speaking
Thirty three thousand feet high
Now your skin is my runway
Welcome aboard

Now your skin is my runway
I'm ready to lose
