

Kinky Friedman, Bananas And Cream

(Kinky Friedman)

Well, a long time ago in old Tokyo
By the softly flowing stream
I left her there with the stars in her hair
On the other side of a dream.
Well, I traveled through with a heart full of blue
Never quite making my way
Till I come upon a strawberry blonde
Living in Pittsburgh, P.A.

Ah, bananas and rice they used to be nice
On the other side of a dream.
Oh, bananas and rice they used to be nice
But now it's bananas an cream.

I stood hypnotized, I stared in her eyes,
She smiled and I suddenly knew
If I made her my bride then the other side
Of my dream would finally come true.

Ah, bananas and rice they used to be nice
On the other side of a dream.
Oh, oh, bananas and rice they used to be nice
But now it's bananas and cream.

Well, a long time ago in old Tokyo
By the softly flowing stream
I left her there with the stars in her hair
On the other side of a dream.

Ah, bananas and rice they used to be nice
On the other side of a dream.
Oh, bananas and rice they used to be nice
But now it's bananas and cream.

Bananas and rice used to be nice
On the other side of a dream.
Oh, oh, bananas and rice they used to be nice
But now it's bananas and cream.

Bananas and rice used to be nice
On the other side of a dream.
Bananas and rice ...
