

# Kinky Friedman, London Homesick Blues

(gary p. nunn)

When you're down on your luck  
And you ain't got a buck  
In london, you're a goner  
And london bridge  
Has fallen down  
And moved to arizona  
Now I know why

We'll now substantiate the rumor  
That the english sense of humor  
Is drier than the texas sands.  
You can put up your dukes  
Go bet your boots  
I'll be leavin' here as soon as I can.

I wanna go home with the armadillo  
Country music from amarillo and abilene  
The prettiest women and the friendliest people you ever seen.

Well, I decided that

I'd take my cowboy hat  
And go down to the marble arch station  
'cause when a texan fancies  
To take his chances  
Chances will be taken,  
That's for sure.

And goes blind me eyes  
For eying the prize  
Some people call manly footwear  
'cause when your thumb down south  
When you open your mouth  
You always seem to put your foot there.

I wanna go home with the armadillo  
Country music from amarillo and abilene  
The friendliest people and the prettiest women you ever seen.

I wanna go home with the armadillo  
Country music from the lone star caf and abilene  
The prettiest women and the friendliest people I've ever seen.
