

Kinky Machine, Clever?

I know what you are, I know what you are
I've seen you driving round in your car, I've got your number
There's nothing to say, there's nothing to say
Can't you read from the look on my face? I don't like your taste

Have you ever thought that you've said enough
When you're talking so dumb and acting so
Clever? Have you ever? Have you ever? Have you ever?

You're raking the moon, you're raking the moon
but you're not gonna find anything, there's nothing for you
I don't mean to laugh, I don't mean to laugh
but if you're always looking at the stars, you're gonna fall over

Have you ever thought that you've said enough
When you're talking so dumb and acting so
Clever?...
