

Kinnie Starr, Alright

Is it alright for me to feel this way?
Put my head in your lap
The world will go away
Well, well, we can go there
We can go anywhere
We can go there (yes)
But is it alright? (yes)
Is it alright? (yes)
Is it alright to hold you through the night?
Is it alright for you to feel this way?
Put your head in my lap
The world will go away
We can go there
We can go anywhere
We can go there (yes)
But is it alright? (yes)
Is it alright?
Is it alright to hold you through the night?
Your mind leads my mind to a world more beautiful (3x)
(I wanna hold you)
And that's so right
That's so right
That's so right
It's alright
It's alright
It's alright to hold you here tonight
It's alright to hold you here with me tonight (5x)
