

Kip Dynamite, Always and Forever

Why do you love me?
Why do you need me?
Always and forever...

We met in a chatroom,
now our love can fully bloom.
Sure the world wide web is great,
but you, you make me salivate.
I love technology,
but not as much as you, you see...
But I STILL love technology,
Always and forever.

Our love is like a flock of doves,
flying up to heaven above,
always and forever,
always and forever...

Why do you need me?
Why do you love me?
Always and forever...
Always and forever...
