

# Kip Dynamite, Always and Forever

Why do you love me?  
Why do you need me?  
Always and forever...

We met in a chatroom,  
now our love can fully bloom.  
Sure the world wide web is great,  
but you, you make me salivate.  
I love technology,  
but not as much as you, you see...  
But I STILL love technology,  
Always and forever.

Our love is like a flock of doves,  
flying up to heaven above,  
always and forever,  
always and forever...

Why do you need me?  
Why do you love me?  
Always and forever...  
Always and forever...
