

Kira, Ill Be Your Angel

I know that you decided
I know you deny it
But I do believe that you don't have to walk this road alone

Somewhere there's a fire
Deep inside a fire
So why won't you just let me be the light inside your heart?

I'll be a reason
I'll be a reason
I'll be a reason
When you need me, you can call me, I'll be there
I'll be a reason
When you're lonely, you can hear me, I'll be there

I'll be your angel
(I'll be your, I'll be your)
I'll be your angel
(I'll be your, I'll be your)
I'll be your angel
(I'll be your, I'll be your)
I'll be your angel
(I'll be your, I'll be your)

No more days of silence
No more souls divided
And I do believe if we just hold on words don't have to be this cold

Somewhere there's a fire
Deep inside a fire
So why won't you just let me be the light inside your heart?

I'll be a reason
I'll be a reason
I'll be a reason
When you need me, you can call me, I'll be there
I'll be a reason
When you're lonely, you can hear me, I'll be there
