

# Kirk Franklin, Afterwhile

Afterwhile, this too shall pass, Afterwhile  
Scars will heal, you'll love again  
It won't hurt you, Afterwhile  
Stuck between if and when  
You prayed, you tried, but still no end

God's purpose soon you'll understand  
It won't hurt you, Afterwhile [2x]

[repeat top]

So when the pain has come to end  
And now your heart is whole again  
Help someone who needs to know  
That it won't hurt, Afterwhile
