

Kirk Franklin, Blessing In The Storm

when i cannot feel the sparrow sing
and i cannot feel the melody
theres a secret place
thats full of grace
theres a blessing in the storm
help me sing it
theres a blessing in the storm

when the sickness wont leave my body
and the pain just wont leave my soul
i get on my knees and say jesus please
theres a blessing in the storm
help me sing it
theres a blessing in the storm

when i cannot seem to love again
and the rain drops wanna never end
if you just hold on those clouds will soon be gone
theres a blessing in the storm
help me sing it
theres a blessing in the

sweet(dadadadada) the storm
repeat

when i cannot seem to love again
and the rain drops wanna never end
if you just hold on those clouds will soon be gone
theres a blessing in the storm
help me sing it
theres a blessing in the storm
help me sing it
theres a blessing in the storm
