

Kirk Franklin, Don't Take Your Joy Away

Don't take your joy away
Don't take your joy away
I know that I have done wrong
But I'm asking You as I sing this song
Don't take your joy away

Don't take it
I can't make it
I've tried it
I can't live without it

Restore unto me the joy of my salvation
Make me Jesus a new creation
Shake me and make me
Hold me and mold me
Choose me and use me
Chastise me
Revive me
