

Kiros, Hero

you can spend your life in
in the passenger seat
and watch it all fly by
or you can take the wheel
shift into gear
and drive along your own lines
i will not let my life fly by
i will not waste my time
i will not just sit on the fence
regardless of the consequence oh yeah
wake up
it's time to save the world
wake up
it's time to save the world
stand up stand out
its time to be a hero
stand up stand out its time to make your stand
stand up stand out
its time to be a hero
stand up stand out
cause its time to save the world
you can just succumb to socialization
and fall right into line
or you can be yourself
go along your own lines
and yourself redefined
i will not just fall into line
my actions will be mine
i will not just sit on the fence
regardless of the consequence oh yeah
