

Kirsty, Hands High

Uu yeah I like what you do to me
Give in to who you are
Uu yeah I like what you do to me
Let's takes this way too far

Is gonna take you back
Yeah you're under attack
Tonight so baby get your hand high
Don't you try to resist
Just surrender to this
Tonight so baby get your hands high

Hands high, hands high....
Hands high, hands high....

Baby get your hands high
Hands high, hands high....

Is gonna take you back
Yeah you're under attack
Tonight so baby get your hand high
Don't you try to resist
Just surrender to this
