

Kirsty MacColl, People Uniting

Chorus:

Yeah, Yeah... people uniting
... around the World
Yeah, Yeah... working together
... to fight the good fight
Yeah, Yeah... love's never ending
... we've shined our light
Yeah, Yeah... we're people uniting
... Peace

Kirsty:

Stronger than anything
the power of the mind
answers to everything
all we need is time

Chucho:

To take we must give
the message is clear
if we stand together
there is nothing to fear

CHORUS

Chucho:

Look at the future
with hope and with pride
with care and affection
we'll turn back the tide

Everyone:

Come on and join us... there's nothing to fear
Come on and join us... tomorrow starts here
Come on and join us... there's nothing to fear
Come on and join us... tomorrow starts here

Kirsty:

The sound of the waves... the hearts of the brave
for you and me and around the world
the echoes of what we believe in
