

# Kirsty MacColl, You Still Believe In Me

I know perfectly well  
I'm not where I should be  
I've been very aware  
You've been patient with me

Every time we break up  
You bring back your love to me  
And after all I've done to you  
How can it be

You still believe in me

I try hard to be more  
What you want me to be  
But I can't help how I act  
When you're not here with me

I try hard to be strong  
But sometimes I fail myself  
And after all I've promised you  
So faithfully

You still believe in me  
I wanna cry . . .
