

Kisha, Why

everytime I look at you
got a feeling deep and true
uh--- I can't stand it any longer
I wonder if you feel the same
this feeling in my heart is gettin' stronger
how can I get close to you
it's hard for me to find a clue
I long for you cause you are mi desire
I wanna make a dream come true
this dream about me and you
how--- can I ever light your fire

why
why I am to shy
to tell you that I like you

I got to make you look at me
I got to make you talk to me
I got to make you understand
I got to make you hold my hand
I gotta make you catch my smile
talk to you for a little while
I gotta take your heart away
I wish I'll find the way
please tell me

why
why I am to shy
to tell you that I like you

tell me why tell me why
tell me why I am too shy
why I am too shy to say I like you
tell me why tell me why
tell me why I am too shy
why I am too shy to say I do

why
why I am to shy
to tell you that I like you
