

Kishore Kumar, Aasman Ke Neeche

aasamaan ke neeche, hum aaj apne peechhe
pyaar kaa jahaan basaa ke chale
kadam ke nishaan banaa ke chale

tum chale to ful jaise aanchal ke rang se,
saj gayee raahe
paas aao main pahanaa doo,
chaaht kaa haar ye khulee khulee baahe
jisakaa ho aanchal khud hee chaman
kaheeye wo kyo haar baahon ke daale

bolatee hain aaj aankhe,
kuchh bhee naa aaj tum kahane do hum ko
bekhudee badhatee chalee hai,
ab to khaamosh hee rahane do hum ko
yek baar yek baar mere liye,
kah do khanake laal honthon ke pyaale

saath mere chalake dekho, aayee hain dhoom se ab kee bahaare
har galee, har mod pe wo dono ke naam se,
hum ko pukaare,
tum ko pukaare
kah do bahaaron se aaye idhar,
u n tak uthakar hum naheen jaanewaale
