## Kiss, Hooligan

My granny, she said I was a hooligan Runnin' 'round like a fool again I went down to the candy store If I had a nickel I'd buy some more

And I'm oh so sad, yeah, oh so bad So sad, but it's true Baby, what can I do

My mama, she said I was a black sheep My baby. she said I was a creep And I'm oh so sad, oh so bad So sad, but it's true Baby, what can I do

I got a '35 Chevy on a '55 frame Can't even spell my name Dropped out of school when I was 22 What can I do to satisfy you

I'm a hooligan Won't go to school again I'm a hooligan Won't go to school again, won't go, no

I got a '35 Chevy on a '55 frame Can't even spell my name Dropped out of school when I was 22 What can I do to satisfy you

I'm a hooligan, yeah Won't go to school again I mean you know how cool I am I'm a hooligan, I am a hooligan Won't go to school again, won't go, no

I'm a hooligan
I mean like I'm so bad
Won't go to school again, yeah, ha, ha
I'm a hooligan
And like every chick in town loves me
Won't go to school again, won't go, no
Nobody's gonna pull me down
