Kiss, Rocket Ride

Lady space, you like the way I make you feel inside Take a rocket ride From the start you wanted to fly I got the rocket and you want the ride Take a rocket ride

Baby wants it fast, baby wants a blast She wants a rocket ride, she wants a rocket ride Baby wants it fast, baby wants a blast She wants a rocket ride, she wants a rocket ride

Lady space, you better wake up fast Countdown is comin' on Take a rocket ride The gravity that used to hold you down Just don't exist no more Take a rocket ride

Baby wants it fast, baby wants a blast She wants a rocket ride, she wants a rocket ride Baby wants it fast, baby wants a blast She wants a rocket ride, she wants a rocket ride Come on, grab a hold of my rocket

Baby wants it fast, baby wants a blast She wants a rocket ride, she wants a rocket ride Baby wants it fast, baby wants a blast She wants a rocket ride, she wants a rocket ride Baby's on her knees, baby wants to please She wants a rocket ride, she wants a rocket ride Baby's on her knees, baby wants to please She wants a rocket ride, she wants a rocket ride
