

# Kisschasy, Do-Do's & Whoa-Oh's

This is a toast to all the people listining  
I hope it get dark in your head  
So tap your feet and click click click your fingers  
Lets make the rest of the world care

I wanna a song that gets attention  
This is the way it goes  
So if you'll play it on your station,  
&quot;do-do's&quot; and &quot;whoa-oh's.&quot;  
&quot;  
Whoa-ohs&quot;

So hit the lights and turn the record up now  
I hope you hear this in your sleep  
Spin off the typical &quot;i miss you baby&quot;  
Who would have thought we were so deep

I wanna a song that gets attention  
This is the way it goes  
So if you'll play it on your station,  
&quot;do-do's&quot; and &quot;whoa-oh's.&quot;

We'll grab a drink and kill our brain cells  
sing all the words we know  
Were bringin back the lovers music  
&quot;do-do's&quot; and &quot;whoa oh's&quot;

Whoa..whoa..whoa...

I wanna a song that gets attention  
This is the way it goes  
So if you'll play it on your station,  
&quot;do-do's&quot; and &quot;whoa-oh's.&quot;

We'll grab a drink and kill our brain cells  
sing all the words we know  
Were bringin back the lovers music  
&quot;do-do's&quot; and &quot;whoa oh's&quot;

whoa..whoa..whoa..
